

How to tape a color guard rifle

Step 1: Remove the screws from the strap and the bolt.

Step 2: Tape end pad with strapping tape.

- Place a piece through the center of the end butt.
- Then place a piece on either side of the center piece.
 - You want to make sure that you tape onto the rifle about 2"
- Then wrap the end of the rifle with the strapping tape.(black box area)

Step 3: Tape Tip of Rifle with strapping tape.

- Tape in an "X" pattern to cover tip
 - You want to make sure that you tape onto the rifle about 2"
- Then wrap the end of the rifle with the strapping tape.(black box area)

Step 4: Repeat Step 2 and Step 3 with 1" White Vinyl **Tape (NOT ELECTRICAL TAPE)**

Step 5: Tape the area of the Rifle from the neck to the swivel with strapping tape. Then repeat with 1" White Vinyl **Tape (NOT ELECTRICAL TAPE)**

Step 6: Tape the screws on the strap with Black electrical tape.

Step 7: Replace screws, you have successfully taped your own rifle.

Tape Supplies you will need:
